Notes;

- ❖ The list is compiled with the lectionary gospels in mind first; Catechism of the Catholic Church (CCC) references are supplied as 'best identified fits' to the gospels, and not vice versa.
- ❖ The Catechism index should be further explored; the selection given here is a sample of relevant topics, but is by no means exhaustive.
- ❖ Neither has any attempt been made here to give an exhaustive list of 'articles of faith' to be considered during the Year of Faith. Basically, in other words, if it wasn't gospel related, it didn't go in!
- ❖ Consequently, thought will most probably need to be given to other ways in which 'articles of faith' are explored in the course of the year of faith (one that comes to mind is 'hope' which is not explicitly related to gospels within the period but is implicit in many places).
